RE: Dalfen Corporation

In today's market, dealing with a company that communicates all standards clearly and collectively from start to finish is unheard of. Dealing with Dalfen has always been one of the most pleasant parts of my day. We know all expectations up front, and are never led astray when it comes to providing value-added services. It is a pleasure to work with such an up front, knowledgeable, honest group of people. From contract inception to season ending services, I have always been impressed when dealing with Dalfen.

Our partnership with Dalfen has always presented itself in a professional, positive atmosphere. From timely return of communication to proactive property management to efficient payables, Dalfen has truly been a great partner in our business world.

Sincerely,

Mike Farrier
